## Energetic Christianity.

Ebenezer Baptist church was crowded yesterday afternoon, the occasion being a sermon by Rev. J. A. Thornton, of Kentucky, on the unique subject: "Dead Dog After the Flea." Rev. Mr. Thornton is a famous orator, and he stirred up to a great pitch of enthusiasm. He argued for a more energetic Christianity.

## Original Entertainment.

The tenth annual lecture and entertainment course of the Young Men's Christian Association will open October 17, with Alexander Black, presenting his famous picture play, "Miss Jerry."

"Miss Jerry" is a love-story illustrated with photographic pictures of real scenes and real people. Mr. Black's invention has been called "a play on a white sheet," "an illustrated monologue," and "a low-story in pictures."

The inventor has called it a picture play; whatever it may be called, "Miss Jerry" has proved an invincible combination—story and pictures.

## ON TO OMAHA!

A Very Distinguished Party Passes Through Wheeling.

## GENERALS MILES AND SHAFER

COMMODORE PHILIP, GENERAL GREELY, THE CHINESE AND KOREAN MINISTERS AND OTHERS IN THE PARTY—THEY ARE EN ROUTE TO OMAHA EXPOSITION, WHERE THEY WILL TAKE PART IN THE GREAT PEACE JUBILEE THIS WEEK.

Late this afternoon a very distinguished party from Washington City will pass through on the Baltimore & Ohio road, bound for Omaha and its Trans-Mississippi Exposition, where they will take part in the great Peace Jubilee, scheduled for this week.

In the party are Generals Miles, Shafter and Greely; Commodore Philip, late of the battleship Texas; General "Joe" Wheeler; Wu Ting-Fang, the Chinese minister; Chin Pong Ye, the Korean minister; Senor Gonzalo De Quesada, the Cuban charge d'affaires, many other distinguished persons and some of the Washington correspondents.

The train leaves Washington this morning at 8 o'clock, and comes via Grafton and Benwood Junction, arriving at the latter point at 6 p. m. The hour set for the arrival at Benwood Junction was 2:35 p. m., but Yardmaster Jamison, of the Baltimore & Ohio, said last night that the time had been changed, and the train would reach Grafton at 3:15 p. m., and arrive at the Junction at 6 o'clock. No doubt there will be a goodly delegation of Wheelingites at the Junction this evening to greet the party. It is regretted that the train does not pass through the city via the Pittsburgh division, for in that event an impromptu reception could be had at the city station.

The train is made up of a baggage car, three sleepers, two private cars and a dining car. General Miles and suite occupy one of the private cars, and the Chinese minister and his party have the other.

The roster of the party is as follows: Army and navy and government officials—Major-General Miles and staff, composed of Col. Francis Michler, Col. William Black, Col. Samuel Reber, and Major-General Shafter and two aides and valet; Major-General Joseph Wheeler, the Misses Wheeler, Brigadier General A. W. Greely, chief signal officer; Mrs. Greely, Brigadier-General C. F. Humphrey, Mrs. Humphrey, Miss Humphrey, Mrs. Mary Howland, Commodore J. W. Philip, U. S. N.; Capt. Arthur Baget, naval attaché, British embassy; Dr. R. W. Baker, U. S. A.; Mrs. Baker, Mrs. J. V. Creighton, Hon. J. M. Thurston, U. S. S.; Hon. J. D. Yeomans, inter-state commerce commissioner; Prof. W. L. Moore, chief of the weather bureau; Mrs. Moore, Dr. R. W. Harris, commissioner of education; Mrs. Harris, General James A. Sexton, commander-in-chief of the G. A. R.; G. R. Rutlin, secretary; A. J. Leonard, secretary.

Diplomatic corps—Mr. Wu Ting-Fang, Chinese minister plenipotentiary; Mrs. Wu Ting-Fang and maid; Master Wu Cho Chu, and Secretaries Chow Wei-Chi, Li Wang, Chang-Hui, Li Kwang-Hang; Mr. Chom Pong Ye, Korean minister plenipotentiary; Mrs. Chin Pong Ye, Master We Chong Ye; Mr. Tam E. Ye, secretary, Mr. Henry Guillaume, Gonzalo de Quesada, charge d'affaires Cuban junta; Mrs. Quesada, Miss Quesada.

Representatives of the press—W. E. Aron, Philadelphia Ledger; George Grantham Bain, Harper's Weekly; Frederic Bensinger, Chicago Times-Herald; W. E. Curtis, Chicago Record; Louis Garthe, Baltimore-American; C. A. Hamilton, Sioux City Journal; James S. ## A FATAL ACCIDENT

Yesterday at Martin's Ferry—William Weatherston the Victim.

William John Weatherston, a nine-year-old son of James Weatherston, of Martin's Ferry, met with an accident yesterday afternoon, shortly before 2 o'clock, which resulted in his death at 5 o'clock last evening.

He and a number of companions were playing around a ground crane which had been made at the McDermott Works, and which was outside of the works. He had wound the ratchet wheel, which had a heavy weight attached, and without thinking of any danger lifted the ratchet, which held the machine from running back, and at that moment the wheel by which the boy was standing began revolving, and the hand-bar struck him on the head, just above the left ear. The blow did not knock him down or render him unconscious, and he walked to his home on Washington street, which was but a short distance, unassisted.

Dr. Williams was sent for, but the unfortunate lad had received a fracture of the skull, which was the direct cause of death. The boys were in the habit of playing with the machine, and had often been warned of the danger.

A Laughlin Accident.

Fenton F. Greer, colored, while at work repairing the coal incline which leads to the Laughlin mill, yesterday morning, fell to the ground below, a distance of about twenty feet, and it was feared that his back had been broken. Upon examination it was found that no bones were broken, but his back was badly sprained, which will confine him to his home.
